## Hammer Time

### WINS AGAIN

At the Inaugural City of Adelaide "Active Ambassador Sports Awards" in May, Cathy Leske (our Executive Director) was recognised with a "Certificate of Commendation" in the Contribution to Physical Activity in the City section for her hard work in developing the Hammer Time programme.

Even more exciting was the announcement that Hammer Time had won the "Event of the Year" award. This is further recognition of how fantastic the wider community views Hammer Time.

### COUNTRY WEEK

Country Week was a very successful event this year. AC and GC players attended the BBQ at SACA on Wednesday evening to mingle, chat and watch the final of the **AC Whitelaw Cup** won by Tim O'Leary.

#### Results:

**GC Doubles** Graham Nolan & Jim Grinrod (Aldinga Bay); 2. Annie Blatchford (Victor Hbr) & Brenda Pentland (Aldinga Bay)

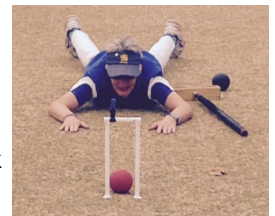

**GC Singles** Block A 1. Glen Blatchford (Victor Hbr) 2. Graham Nolan (Victor Hbr)

**GC City/Country Doubles** Block A 1. Glen Blatchford (Victor Hbr) & Jim Grindrod (Aldinga Bay); 2. Ken Taylor (Aldinga Bay) & Chris Tinkler (Glenunga)

Block B 1. Julie Grindrod (Aldinga Bay) & Jeanette Romano (Hyde Park); 2. Keith Fawkner (Victor Hbr) & David Hayter (Holdfast Bay)

#### A bit of 'fun' at Country Week!

AC Block 3 players Linda Kinch (Kadina) Barbara Bartsch (Pt Lincoln) and Helena Panasewycz (Victor Harbor) spent Tuesday afternoon playing at South Terrace taking it in turns to play 2 against 1! Eric Zadow gave us a few 'tips' and we all had a really great time. After just getting through hoop 5 **Linda** took her cue from the 'good' players in lining up her shot, and 'hit the deck' to see what she had to do! Barbara and Helena were highly amused and Helena caught the special moment on her phone. You'll be relieved to know that Linda roqueted the ball nicely towards the next hoop! The clock had to be stopped as it took a wee while for her to get up off the ground. Eric was totally speechless!!!! **Linda Kinch**

**PROMOTION & DEVELOPMENT**

I know for a fact that Moonta has 6 new members from and ad in the Progress Association newsletter. Well done, Moonta should do well in the pennants this year!

Also Aldinga Bay, Norwood, TTG and North Adelaide have new members from Hammer Time - I'm not sure about Brighton.

There is even a new member at Coro who went to a different club's Hammer Time.

Our membership is rising; this is the fundamental measure of success!

Recently I heard someone say that at a demonstration day/event they didn't get any new members.

If your club participates in a community event e.g. a festival or field day etc. the goal of the exercise is to give patrons a positive croquet experience and to gather email addresses/contacts of those interested. To get new members would be fantastic but not a given.

Show that croquet is fun and challenging – dress up – have attractive signage - bunting – do what you can to attract people – be pushy and engage passers-by – put a mallet in their hand and challenge them to run a hoop. Once they've come off the court, as well as congratulating them on their play and gauging their level of interest, ask them if they would like to go on the mailing list – you'll find folks are quite happy to do this. This provides your club with the beginnings of a database – sending them an email of future events costs nothing - only time. Don't worry if they're from out of town.

And if they already know they want to learn, get their details and set a date there and then.

Remember to teach new players more than one game it helps all codes and don't let age be a barrier! **Sally Harper**

**AC COACHING**

New Coach: I'm pleased to advise that Ann Rutten (Coromandel Valley) has recently completed the training to qualify as a Beginner Level AC Coach. Well done. Ann

Achievement Pins: Congratulations to Helena Panasewycz (Victor Harbor) who has recently earned pins for breaks of 5 and 7, and also Malcolm Kinch (Kadina) for completing a break of 5 to earn a pin. Well done both Helena and Malcolm.

**THE INAUGURAL GOLF CROQUET PRESIDENT'S EVENT**

The event ran over the weekend 15- 17th May. It was a great competition with fantastic weather.

Winner was John Arney, runner up Greg Rowberry.

President, Eileen Ferguson presented the certificates at the end of the event.

**GOLF CROQUET SCHOOLS COMPETITION**

At a recent meeting of the GC Coaches it was agreed to develop a group of players who are interested in providing an Inter-Schools Golf Croquet Competition for senior school students in 2015. If your club has existing contacts with a school it would be great if you could be involved and share your experiences and knowledge. If your club has not been involved with a school you are still welcome. It is envisaged the group would meet initially to develop a strategy for implementation.

The concept has already been agreed by the GC Committee and is part of the Strategic Plan. The current stimulus has come from the new ACA National Director of Coaching, Jackie McDonald, who is developing a National Competition as a follow-on from a State competition. Please contact Barry Haydon or Heather White if you are interested in joining this group.

**GOLF CROQUET—THE POSITIONING OF THE RED HOOP**

It has been decided by the Golf Croquet Committee that for all Pennant and Individual competitions the red hoop should be in ion 13 (or 19 for first to 10). Whilst this may present some issues for clubs, we would encourage all to comply.

**GATEBALL**

Expressions of interest are invited to participate in a team with Japanese coaches at the 2015 Gateball Championships, Wynnum, Brisbane, 4—6 September 2015. Contact John Park 02 4787 6885 info@gateball.com.au

## **SUMMARY OF INSURANCE POLICIES TAKEN OUT BY CROQUET AUSTRALIA ON BEHALF OF CROQUET SA AND AFFILIATED CLUBS**

There are 3 policies taken out by Croquet Australia. They are;

- Liability Policy
- Personal Accident Policy
- Corporate Travel Policy

### Liability Policy

Of the three policies, the liability policy is the most important. It provides insurance cover for Croquet SA and affiliated clubs from claims made against the a club (including Croquet SA as a club) where the club is legally obliged to pay compensation to another party for personal injury or property damage. Usually this will occur where the club or an officer or volunteer worker of the club has been negligent in some way and the other party has been injured or suffered damage to their property as a consequence of the negligence.

An example might be where the tap on a hot water urn becomes unsafe and is not fixed. Then one day it leaks hot water over a person who is badly burnt on the hand. That person might have a claim against the club for medical expenses, pain & suffering, loss of function of the hand etc. which would be covered by the insurance. The person who is hurt and is claiming against the club might be a club member, but could also be a visitor or person attending a croquet party etc.

More rarely the insurance cover may protect the club against claims for defamation, breach of copyright and the like.

In most circumstances the insurance extends to cover any personal liability of office holders, employees and volunteers.

As with any insurance policy, conditions and exemptions apply in some circumstances. Maximum cover is \$20 million.

### Personal Accident Policy

Insured persons under the personal accident policy include committee members and office holders and voluntary workers of a club or Croquet SA and club members who are "appropriately registered". Unregistered players are not covered. "Appropriately registered" means those people who have registered with Croquet SA and whose names were on a list provided to the insurance brokers when the policy was renewed. In general, players whose names were not on the list are not covered, although new members, whose names are not on the list, but who are registered with Croquet SA may be covered. Also, people trying out croquet may be covered if they are "appropriately registered" with the club.

Where an insured person is injured whilst playing, attending to administrative duties, attending a social function or travelling to or from such activities, they may be entitled to claim either a lump sum benefit in the case of permanent injury, or weekly payments in the case of loss of earnings or requiring home help. They may also be entitled to claim a portion of medical expenses which are not covered by Medicare. Unless the injury is very serious, payments are not likely to be large. For example, the loss of a big toe would be worth \$2,500. The policy only covers injuries. It does not cover illness.

It is not necessary for a claim under the personal accident policy to allege negligence or any wrongful act on behalf of the club. A claim can be made even if the injury is a complete accident or the injured person is at fault.

### Corporate Travel Policy

This policy provides travel insurance for directors etc of Croquet Australia and each of the State associations.

To read details of policies, they are on the Croquet Australia website.
