

Welcome to

There is more to the game of Croquet than first impressions might give. Croquet is a challenging game of strategy, finesse and skill which can be enjoyed by people of all ages.

Bordertown Croquet Club is a great place to experience and enjoy the game of Croquet, whether it be the competitive 'Association' Croquet or the introductory and more social 'Aussie' form of the game.

We have been in existence for over 90 years and, still, our well-manicured lawns, situated on the corner of DeCoursey and Binnie Streets, Bordertown (directly behind the Post Office) present a central place for a game.

A warm welcome is always extended to visitors or new players and our members are only too happy to explain and show new players the basics of the game.
