

## **Country Casual Registration Category**

1. The new category is called Country Casual Registration.
2. Country Casual Registration, as the name suggests, is available only to members of country clubs, as defined by Croquet SA.
3. The registration fee payable to Croquet SA for Casual Registration is related but not tied to the Student Registration fee, plus the insurance component, as charged within the full Registration Fee.
4. This category is available only to persons who are not registered players at the time of its introduction.
5. Currently registered players are not eligible to apply for Casual Registration.
6. Casual registration does not include entitlement to enter Croquet SA events or any club-organised Croquet SA events.
7. Members registered under this category may participate in Croquet SA organised Coaching workshops or AC Laws/GC Rules information sessions held on payment of an additional fee of \$20 per event.
8. Casual registration does include the entitlement to participate in club organised events such as Gala Days, Social Events and similar functions, but not club-organised tournaments.
9. The new registration category will be introduced for a trial period of two (2) years, with a review after one year.

Adopted with immediate effect by the Croquet SA Board, April 19<sup>th</sup>, 2021
