President's Report - October 2023

1 City of Adelaide

Negotiations continue on a range of issues with CoA -

- (a) Drainage CoA are preparing a plan to address our drainage issues. This will cost us a fair proportion of the cost.
- (b) Maintenance we are addressing several issues raised at our annual inspection. The biggest is the moss/mould present on the gutters. We may need a contractor to fix.
- (c) Fourth Lawn we must address t5he Parkland Development Plan. Diuscussions continuing.

2 NDBUG

ACA are in discussions with a provider of a database. The CEO and the new Admin Officer both have experience using the preferred provider (but not finalised yet). I offered SA as a trial site as we will be losing our current membership officer at the end of the year and it might be better to induct Trish into a new system.

3. Re badging and the new logo

The rebadging process is progressing. The ACA CEO is meeting with the contractor and will get the new logo design specs (electronic) out to states. The plan is for there to be no charge for SACA or any club who wish to adopt the new logo – no time limit on this adoption.

There will be several tech specs for the logo primarily based around a vertical version (Text under the logo) and the current horizontal version (as displayed so far). Clubs will be able to add their club name as appropriate.

4. Policies

Updating policies is high on ACS's agenda. I raised the Strategic Plan as important for us in the context discussed earlier that state SPs should be tailored to fit under the national one. The national SP is a priority and will be addressed in November and should be finalised by the new year. The ideal is that ACA produce all policies and states would not need to have individual policies. I also raised the Complaints Policy as another priority policy from our perspective.

6. Attendance at our Board meeting

Kirstie CEO ACA will attend our next Board meeting via zoom given her current workload.
