

SACA AC WEEKEND PENNANTS

Lawn Fees, Mentors and Results

1. Lawn Fees:

Players will pay \$7 per player per match (\$28 per match) to their Club on the day of play. Captains should collect this fee and give it to their club treasurer for subsequent payment to SACA. SACA will invoice clubs for fees. Monies collected are not to be left at Hutt Road.

2. Mentors for Division 4 Teams:

For 2024, as a trial, each Division 4 pennant team may bring a mentor who may advise players. The advice may be given before or after a turn, but not during a turn. The mentor must not enter the lawn, unless called upon to act as a referee.

3. Results submission:

Results should be recorded on the score cards. In addition, the winning captain should submit the results electronically.
